

SCENE 1

INT. PERSONAL QUARTERS . DAY

Luna is writing in her journal. Xylia is reading a book in a chair.

LUNA

(Footage of her writing)

Dear diary,
First day as a security guard is finally over!

(Footage of outside the spaceship)

AAA Security put me on this cruiseliner called the 'Cornucopia'. Those Veggians... they are SO chill!

It would be boring, but I convinced Xylia to come along.

Her parents bought her a ticket so we're sharing a cabin.

(Xylia is sitting in a chair, reading a book with an annoyed expression)

She, uh.. doesn't like it when her parents buy her stuff, but she's been quiet about it.

(Sketch - Them playing shuffleboard)

We spent most of the day playing space shuffleboard with the Veggians and my coworker, Jasper. Jasper seems cool, but he's really nervous. I can't seem to figure out why.

(Back to Luna writing)

Does he have feelings for Xylia? Only time will tell.

He made this little robot named KAM, I think. It's pretty smart.

I have no idea why he's in security if he likes making robots so much, but it's whatever.

So excited for tomorrow!

LUNA slams her her diary closed.

XYLIA

(Dry)

Hope you're not writing anything in there you want to keep secret.

LUNA

How come?

XYLIA

You mumbled the whole thing out loud
as you were writing.

LUNA

Oh.. hehe.

XYLIA

Didn't you say that Jasper wanted to
go out to get a snack before the
coffee shop closed?

LUNA

Oh, you go ahead and have fun, I
have to catch up on my daily report.

XYLIA

(Thinks for a minute)

Alright, then.

(Leaves, comes back)

I can hear you giggling from all the
way over here.

LUNA

I'm not, I'm not.

XYLIA

Luna, I don't believe you.

Luna shrugs, and Xylia rolls her eyes, leaving. Luna
watches her go.

LUNA

Alright, now we wait with some
paperwork.

Time goes by...

Time goes by.....

LUNA

(Tired)

Well, I'm bored. Time to check on
the others.

Luna walks towards the door, and suddenly the gravity
turns off. She grabs the wall.

LUNA

What the- Who turned the gravity
off?

Now it's REALLY time to check on the
others.

SCENE 2

Luna has made it to the cafe. Xylia is there, but not
Jasper or KAM.

XYLIA

LUNA! Guess what I figured out!

LUNA

What? Are you okay?

XYLIA

That Jasper guy doesn't work for AAA Security!

LUNA

..You think he's behind the gravity thing?

XYLIA

He insists that he isn't, but he's already lied once.
Now he claims that he and his metronome are off to fix the gravity.
Luna, I can't tell you enough how dubious this sounds.

LUNA

Yeah, you're absolutely right.
(Quietly) Dagnabbit.

XYLIA

He went this way!

SCENE 3

The two of them find Jasper and KAM in one of the computer rooms.

XYLIA

Step away from the controls, Jasper!

JASPER

Wait!! We've almost got the gravity back!

LUNA

Xylia, I'm the one who's paid to do this.
Jasper, stand down, or I'll be forced to use my stun ray.

JASPER

I promise this isn't my fault!!

Xylia sighs, takes the stun gun from Luna and shoots Jasper with it. He falls over, and sparks fly from the machine.

LUNA

What was that for??

XYLIA

Admit it, you were bluffing. You weren't going to fire that stun gun.

LUNA

Ugh... I might have!

KAM

(On the side of the computer)

Well, you've fried the computer for this wing. Now we REALLY won't get electricity back.

LUNA

So who ARE you two, really?

KAM

Stowaways, but we're not malicious. We didn't do this. What reason would we have?

XYLIA

I don't know - you tell me.

JASPER

...Ow, my head...

Xylia shoots him again with the stun gun.

LUNA

What was that for??

XYLIA

I don't know, it just felt right.

LUNA

(Takes gun)

Gimme that.

Xylia, let's look around a little more.

KAM, do you think you can try to get the gravity back on?

KAM

I guess I can try, but electronics don't tend to work after you shoot them.

SCENE 4

Luna and Xylia finally come across a big stew pot. A bunch of Vegons are guarding it, laughing maniacally.

VEGON

You're too late, humans! Tonight, we feast on Vegginians!

LUNA
(Gasps)
Vegons! I should have known!

XYLIA
Is that the species with the really
bad poetry?

VEGGINIAN
(From in the pot)
No, those are the humans.

XYLIA
Look, do you want us to save you or
not?

LUNA
Don't be afraid, Vegginians! Help is
on the way!

SCENE 5

They save the Vegginians. One of them is a distinguished
gentleman with a monocle.

LUNA
Col. Green! Are you okay?

MAYOR
Absolutely steamed! One security
guard was simply not enough. We need
at least four.

LUNA
What are we going to do?

MAYOR
Young lady, you are the security
guard.
You're the only one qualified to
handle this situation.

LUNA
Oh... right.
Well, we're trying to get the
gravity back on.

MAYOR
Well hurry, then! Harumph.

SCENE 6

They finally get back to KAM and Jasper. The gravity gets
turned back on.

JASPER
Finally!

LUNA
Oh, thank you so much!

JASPER
KAM and I finally managed to
override the gravity controls for
this side of the ship...
(Gestures to Xylia,
smirks)
Despite your best efforts.

XYLIA
(Huffs)
How was I supposed to know Vegons
were on board?

LUNA
Jasper, KAM, what do we need to do
to get the rest of the ship back
online?

JASPER
We just need to get to the other two
control panels.

SCENE 7

The three of them finally get to the panel.

JASPER
This is going to sound super
selfish, but I'm sort of glad the
gravity went out.

LUNA
How come?

JASPER
I mean, space shuffleboard is cool
and all, but when stuff goes wrong?
I live for this kind of stuff.

XYLIA
Are you a stowaway because you like
the adventure or because you're
poor?

JASPER
Both.

XYLIA
That sounds amazing. No image to
keep up, no one telling you what to
do.

JASPER

That's nice, but having trouble finding something to eat? Not so much.

KAM

To you rich people who wish they could be poor, my offer is simple. You want to be poor. I want monster truck wheels.

JASPER

Yeah, I grew up in the space circus.

LUNA

You did?? I wonder if Xylia and I saw you at some point. What did you do?

JASPER

I did the lights.

XYLIA

Last time I went to the circus, the flashing lights made me queasy. So I guess we're even.

JASPER

Nah. It'd have to happen twice for us to be even.

Xylia is visibly annoyed.
